Section 10: Authorization to Disclose/Use Health Information

I authorize my health care providers and staff, my health insurer, health plan or programs that provide me health care benefits (together, “Health Insurers”) and any specialty pharmacy(s) that dispense my medication to disclose to Regeneron Pharmaceuticals, Inc. and its affiliates, representatives, agents and contractors (together, “Regeneron”) health information about me, including information related to my medical condition, treatment with EYLEA® HD (aflibercept) Injection and/or EYLEA® (aflibercept) Injection, health insurance coverage, claims, prescription, and referral to and enrollment in the EYLEA4U® Programs (together, “My Information”). My health care providers, Health Insurers, specialty pharmacy(s) and Regeneron may use and disclose My Information for the purposes of providing certain support services, including:

- to determine if I am eligible to participate in Regeneron’s reimbursement and coverage assistance program(s), patient assistance programs and other support programs (together, “EYLEA4U Programs”);
- for the operation and administration of the EYLEA4U Programs;
- to investigate my health insurance coverage benefits;
- to obtain prior authorization for coverage/reimbursement;
- to assist with appeals of denied claims for coverage/reimbursement.

I understand and agree that my health care providers, Health Insurers and specialty pharmacy(s) may receive remuneration from Regeneron in exchange for disclosing My Information to Regeneron and/or for providing me with support services in connection with EYLEA HD and/or EYLEA or the EYLEA4U Programs. Once My Information has been disclosed to Regeneron, I understand that federal privacy laws may no longer protect it from further disclosure. However, Regeneron agrees to protect My Information by using and disclosing it only for the purposes authorized in this Authorization or as otherwise required by law.

I understand that if I refuse to sign this Authorization, I will not be able to participate in the EYLEA4U Programs, but it will not affect my eligibility to obtain medical treatment, my ability to seek payment for this treatment or affect my insurance enrollment or eligibility for insurance coverage.

Further, I understand that I may withdraw (take back) this Authorization at any time by mailing or faxing a written request to Regeneron at PO Box 220578, Charlotte, NC 28222-0578; Fax: (888) 335-3264. Withdrawal of this Authorization will end further uses and disclosures of My Information by the parties identified in this Authorization except to the extent those uses and disclosures have been made in reliance upon this Authorization.

This Authorization expires 18 months from the date support is last provided under any EYLEA4U Program, subject to applicable law, unless I withdraw it earlier. I understand that I may request a copy of this Authorization.

Section 11: Patient Certification/Patient Consent to Enroll in EYLEA4U Program Services

By signing, I am enrolling in the EYLEA4U Programs, and authorize Regeneron to provide me with the EYLEA4U Programs. I verify that the information on this application and other supporting documentation is complete and accurate. I also verify that unless I have identified otherwise in this application, I have no other coverage for prescription medications, including Medicaid, Medicare or any public or private assistance programs, or any other form of insurance.

I also agree that Regeneron may verify my eligibility for the EYLEA4U Programs, and I understand that such verification may include contacting me or my health care provider for additional information and/or reviewing additional financial, insurance, and/or medical information. I authorize Regeneron to use my Social Security number and/or additional demographic information to access reports on my individual credit history from consumer reporting agencies. I understand that upon request, Regeneron will tell me whether an individual consumer report was requested and the name and address of the agency that furnished it. I further understand and authorize Regeneron to use any consumer reports about me and information collected from me, along with other information they obtain from public and other sources to estimate my income in conjunction with the patient assistance program eligibility determination process, if applicable.

I authorize Regeneron to contact me by mail, telephone, or email, with information about the EYLEA4U Programs, FDA-approved indications of EYLEA HD and/or EYLEA, related disease state information and products, promotions, services and research studies, and to ask my opinion about such information and topics, including market research and disease-related surveys. I further authorize Regeneron to de-identify my health information and use it in performing research, education, business analytics, marketing studies or for other commercial purposes. I understand that members of Regeneron may share identifiable health information with one another in order to de-identify it for these purposes and as needed to perform the EYLEA4U Programs or to send the communications listed above (the "Communications"). I understand and agree that Regeneron may use my health information for these purposes and may share my health information with my doctors, specialty pharmacies, and insurers.

In connection with administering the EYLEA4U Programs, I understand that Regeneron may contact me or my health care provider directly to confirm receipt of medications or to provide other information related to the EYLEA4U Programs. I may opt out of receiving Communications, individual programs offered by the EYLEA4U Programs or opt out of the EYLEA4U Programs entirely at any time by mailing or faxing a written request to Regeneron at PO Box 220578, Charlotte, NC 28222-0578; Fax: (888) 335-3264.
